NEW IS 350 BB

FLOW WRAPPER FOR UNIVERSAL APPLICATION

IS 350 BB: Horizontal Flow Pack Series

Designed for modern market challenges, the IS 350 BB excels in fragmented production and high customization. It can operate as a **standalone bagging** machine or be seamlessly integrated with our **IMB 2525 GREEN IMPACT** heat-shrink tunnels **using shrink films**. This setup ensures extraordinary flexibility for variable batches and e-commerce needs, while significantly reducing energy consumption.

Tech	Value
